

2021 Grant H. Flint International Scholarship Awards Program

CATEGORY 2

**College/University Juniors & Seniors
Studying Fields in Solid Waste Management**

Dear College or University Junior or Senior:

Hello and thank you for your interest in SWANA's **Grant H. Flint Scholarship Awards Program**.

SWANA is a professional association of more than 10,000 members who work in solid waste management. That industry is far advanced from the old stereotypes of "garbage men." Our membership is diverse, and we encourage you to consider how your selected area of study might lead you into our professional ranks. Will you be an engineer, scientist, agency or business manager, sales professional, safety specialist, expert in communications, marketing, or policy? Do you want to work as a front-line collector, equipment operator, or maintenance specialist? They all help fulfill the critical function of managing solid waste as a resource and SWANA has a place for you.

To be eligible to apply for SWANA's Category II Scholarship, each worth \$5,000 USD, you must be:

- Enrolled full-time in college or university for the period of time the scholarship will be used
- Entering your junior or senior year of undergraduate studies
- Pursuing a degree in environmental science, environmental studies, engineering, or a major applicable to the field of solid waste or resource management.
- Sponsored by a SWANA member in good standing on May 1 of the application year. This can be you as a student member or a qualifying SWANA member (see the Eligibility criteria in the application).

Applications are due to your Sponsor's [Chapter Scholarship Committee Chair](#) no later than May 1, 2021.

Chapters will evaluate all applications and can send one nomination for the \$5,000 US Category II (College/ University Junior or Senior) Scholarship to SWANA by June 1, 2021. SWANA's awards will be announced during summer 2021.

Many chapters also offer state/province level scholarships and we encourage you to contact the Chapter Scholarship Chair and review the Chapter website for information about local programs. Contact information for Chapter Committee Chairs and a link to chapter websites can be found at SWANA.org/Scholarships.

Members living outside the United States, its territories, or Canada should complete the application and send it directly to Sara Bixby in her role as SWANA's Staff Scholarship Administrator by May 1, 2021.

For more information, check with your Chapter Scholarship Chair or Sara Bixby at sbixby@swana.org.

We look forward to receiving your application. Best of luck as you continue your education.

Sincerely,

Mike Stringer
Chair, SWANA Scholarship Committee

Sara Bixby
Deputy Executive Director, SWANA

III. CRITERIA:

The Scholarship Committee evaluates the Grant H. Flint Category II Scholarship applications as follows:

A. Academics = 30%

SWANA's Scholarship Committee considers past academic performance an important selection criterion. Your application must provide enough information to allow the Scholarship Committee to evaluate your academic performance.

- **REQUIRED:** Provide a transcript of your college/university transcripts up to the conclusion of the most recent period (quarter, trimester, semester).

An official, unofficial, or PDF copy of your transcript is required to be attached *to the application you provide to the Chapter or SWANA*. The transcript must provide marks for all courses and a measure of your academic performance when measured on the school's standardized scoring system. Identify the scale used (e.g., 4.0 on a 4.0 scale). An example of one possible measure satisfying this request for US based students is grade point average (GPA). SWANA acknowledges that not all schools use this measure and will accept other measures **documented by the transcript.**

- **OPTIONAL:** Attach documentation of any other college/university-level **academic performance, awards, or recognition** and/or letters of recommendation related to academic performance you believe the Scholarship Committee should consider.

Application Information

B. Relationship of Studies to Solid Waste Management = 50%

The Committee will consider your current and completed courses, advisor/professor input, and your completed essay in its evaluations.

- **REQUIRED:** Complete and sign the form that asks for additional information about coursework related to solid waste management and/or a potential career in the industry.
- **REQUIRED:** Please have your faculty advisory or a key professor in your studies related to solid waste management provide a one-page letter that discusses your academic performance.
- **REQUIRED:** Write a one-page, original essay about the topic identified in Question 4. SWANA considers each essay for its potential as a blog post on social media, regardless of selection for a Scholarship.

C. Other Activities = 20%

Other Activities are activities and programs that can be connected with your studies (research, internships, assistantships), associated with school (participation student organizations), or entirely unrelated (volunteer activities, military service, employment).

- **REQUIRED:** Complete and sign the forms that ask for information about your other activities.
- **OPTIONAL:** Attach a current copy of your resume.

Describe what you did and how often you participated. Attach documentation and/or letters of recommendation to help the Scholarship Committee appropriately score this part of your application.

D. Financial Need—not weighted

- **OPTIONAL:** Although it is not a weighted factor, the Scholarship Committee can take financial need into consideration. Some chapters may also consider financial need in their review of applications. Please *do not attach forms that contain confidential personal information*.

E. Disqualification

Applying is not a guarantee of funding. The Scholarship Committee may disqualify an application for any of the following reasons.

- Applicant fails to meet the May 1 deadline for submitting the application to the Chapter or Staff Scholarship Administrator.
- Chapter fails to provide its recommendations to SWANA by the June 1 deadline
- Applicant will not be enrolled in classes in the coming semester
- Applicant does not provide all REQUIRED supporting documentation
